Hi Chelsea,

We would like to remove the hold and request processing of the Suncadia Ph3 Div 15 & 16 Preliminary Plat Application (LP-19-00002) and SDP. Can you advise on what you may need from us, the applicant, to continue review of this application? I've copied Steve Lathrop and our civil engineer of record, Laura Bartenhagen, on this request, should additional materials be needed for the review.

Cheers,  
Brianne
