RE: Suncadia Phase 2 Division 1 and 6 (78 lots in Suncadia Resort, Cle Elum, Washington)

Properties within the Suncadia Resort receive water services through a centralized water system owned and managed by the Suncadia Water Company, LLC (SWC). SWC will service each of individual lots within the above referenced Phase 2 Division 1 and 6 plats, located within the Suncadia Resort, with a single water service connection as defined by Kittitas County and the Washington State Department of Health, per the Utilities and Transportation Commission tariff and state law. The water system currently has the capacity to serve these seventy eight lots, the water delivered is tested at regular intervals, and the system meets all the requirements of the State Department of Health for a public water system.
