RE: Crowe Preliminary Short Plat (P-07-51)
Status: Planning Commission Hearing - February 12, 2008

Dear Mr. Elkins:

This is to memorialize our conversation of February 11, 2008 in which you indicated you would need a written request from this office in order to grant a continuance of the Planning Commission hearing that I talked to MacKenzie Moynihan about last Thursday.

The applicant would like to discuss the staff's suggested requirements for approval of the plat request and in order to schedule this conference, a continuance of the Planning Commission hearing from February 12, 2008 to the next Planning Commission hearing date is necessary.

Please have MacKenzie Moynihan call to schedule a meeting time and advise if anything further is needed to continue the February 12, 2008 hearing.

Very truly yours,

John H.F. Ufkes
