Trudie,

I am finalizing the SEPA checklist as per you January 10, 2008 notice.

After reviewing the MDNS for the Freeman project and our phone conversation, I still need to know if a traffic study or Stormwater Pollution Prevention Plan will be required for this project?

Please feel free to contact me if you have any questions.

Thanks,

Terry L. Ostergaard

Hi Terry,
I am working on the MDNS for this plat. I am tentatively planning on taking this to the May 27, 2008 Planning Commission meeting. I will need somebody present at that meeting to give a brief presentation on the project.
