BL-12-00013 & CB-12-00002 Mellergaard

I got a call from Ms. Garcia in the Assessor's Office RE: these two. Apparently there is some confusion as to the order of events and the acreages assigned to each parcel based on that order. The applications have been approved from a land use prospective but cannot be perfected until the legal descriptions have been ordered and adjusted accordingly. You may work this through me to her or check directly with her regarding the specifics; please CC me so the application file is kept up to date and corrected.

Thanks,
