Mr. Halloin,

Finalizing this one is my top priority today. My questions have been addressed by the Planning Official, and I will make finalizing this one the top priority for the morning. I will call as soon as I have forwarded to the Assessor.

Thank you,

Dusty Pilkington

Good Morning Dusty,

This is day 28 since submitting my simple parcel combination application.

On Sept. 14, you indicated my application would be finalized upon confirmation that my property taxes are current. Taxes are paid—nothing is owing.

The long narrow parcel does not conform to anything useful or meaningful.

Components for my septic system were delivered yesterday. The contractor wants to begin construction today.

Please....first thing this morning.

Thank you.....Louis Halloin

Mr. Halloin,

This email is to inform you that I will likely be able to approve your application for a parcel combination on parcel numbers 861633 and 871633. I will be able to finalize the combination once I have confirmation from you that the property taxes are current. No need to come in, a simple email or phone call will suffice.

Thanks for your time and assistance with processing the application.
