

LAND USE PH COMMENTS

To: Dusty Pilkington

From: Holly Myers, Environmental Health Supervisor

Date: December 20, 2016

RE: CB-16-00008 KLUTH

After review of this parcel combination, it appears the proposed changes will not impact setbacks for existing structures, water source and septic system given the proposed combination. Public Health has no additional water or sewer requirements.

Sincerely,

A handwritten signature in cursive script that reads "Holly Myers".

Holly Myers, Environmental Health Supervisor
