

Combining lots 077234 + 087234  
at Sunlight Waters Country Club.

I would like to combine these lots  
so I may build a CAR port on the  
property. The new structure measures  
40 feet long and 14 feet wide.

The location of the project is on the  
front of (087234) and extends into  
077234. My motorhome is 32 feet long.

I have added water and power  
to the property over the summer.

There are no structures on this  
property, only septic tank and drain field.  
The structures that were there, are  
no longer, due to the Taylor Bridge  
Fire on 8/13/2012.

I purchased the property from the bank.  
The 2 parcels are sold together and  
I plan on building a house on the  
property.
