Good morning Sarah,

I am so sorry for the delay in getting back to you. Our department has been shut down due to the governor's order. Parts of our department have finally been approved to work remotely as of today.

As far as your Parcel Combination goes, unfortunately we are at a stand still because I am unable to get the required signatures from the Treasurer's Office at this time. We are actively working on a solution to this issue, but as of right now, there isn't one.

I will keep you posted as the situation evolves. As soon as I am able to get the Treasurer's Office signatures, your application will be ready for final approval.

Please Note: In an effort to mitigate the spread of COVID-19, Kittitas County Community Development Services is closed to the public until further notice. At this time we will continue to have staff available to answer calls and respond to requests via email. Thank you for your patience and understanding as we make every effort to keep our community and our employees safe.

Hi Rachael,

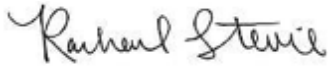

Attached are the receipt of payment for the two parcels I received from the treasurers office. Their system was not updating to the website she said when I called last week. Anything else you need from me to approve it?

Hello Rachael and Lindsey,

I just paid the 2020 property taxes in full on the Kittitas County website. I acknowledge Holly's comment about the shared well and we are aware of that policy. As of now the well supplies to our house and to a spigot on parcel 582934. If in the future we develop on the land we will look into converting into Group B.

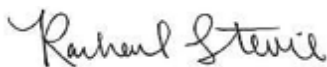

Thank you,
Sarah Hilsenberg
