RE: Cummings Parcel Combination (CB-21-00011) - Deemed Complete

Parcel# 15814

Parcel# 21123

Dear Mr. Cummings,

Kittitas County Community Development Services (CDS) received a Parcel Combination permit application on April 26, 2021. This application has been determined to be **complete** as of May 10, 2021. Please be advised: Once these tax parcels have been combined, any future land subdivision will be required to meet current county regulations at the time of application.

Continued processing of your application will include, but is not limited to, the following actions:

1. A Notice of Application will be sent to appropriate governmental agencies for comment within 14 days. Agencies have 15 days to comment unless additional information is required.
2. The comments from all agencies will be considered in the decision making process.
3. A decision will be rendered which may include conditions; this decision may be appealed pursuant to KCC 15A.07.
4. If the decision rendered is conditional approval, all conditions must be completed prior to final approval.
5. Final approval and associated documentation will be submitted to the Kittitas County Assessor's office for perfection (the change of the map) by Community Development Services. The Assessor's office may have additional requirements if the appropriate transfer documentation and deeds have not been completed and recorded as required.

Prior to final approval the following items need to be received from the applicant or their agent:

1. The full years taxes on all parcels included in the parcel combination shall be paid in full prior to final approval.
 - a. Please note, in your application you noted that taxes have been paid in full, however it appears that the second half of 2021 taxes are still due.

Once CDS has received the above items, processing can continue. If you have any questions regarding this matter, I can be reached at (509) 962-7637, or by e-mail at rachael.stevie.cd@co.kittitas.wa.us.

Sincerely,

Rachael Stevie
