Mr. Gasawski:

The Department of Health (DOH) Office of Drinking Water (ODW) has reviewed this NOA and has the following comment:

1. This proposal definitely appears to be on the same site as the current Group B water system named: "Teanaway Ridge Water System", with the DOH ODW ID #015439. If so, the applicant will need to work with DOH ODW to return to Group A status to serve the updated facility.

If anyone has any questions or concerns, please contact DOH, thanks,
