Greeting. Attached are the updates and revisions for PUD and associated plat, PD-16-00001 and LP-17-00004. This project has been renamed Commons at Dry Creek. Could you provide any comments on the revised proposal by August 18<sup>th</sup>? This should provide enough time to issue the threshold determination, allow time for a possible appeal, and schedule it for a hearing at the end of September. If you need additional background info not in the attachments, follow the links below.
