RE: Grant County PUD Shoreline Conditional Use Application (SC-19-00002)

Dear Applicant,

Community Development Services (CDS) received your application for a shoreline Conditional Use on October 15, 2019. Grant County PUD elected to be SEPA lead on this project. Prior to your submittal of the Shoreline Conditional Use application, CDS informed you (via email 10/2/2019) that we would not be able to begin processing the application until the end of the SEPA appeal period, which concluded on October 21, 2019. October 22, 2019 will serve as the review start date. CDS has reviewed your submitted materials and has determined that the application submittal packet has been determined complete as of November 8, 2019.

Continued processing of your application will include, but is not limited to, the following actions:

1. SEPA and Specific Project Notice of Application will be published in the newspaper and sent to all adjoining property owners, governmental agencies, and interested persons.
2. Consideration of written comments from all adjoining property owners, governmental agencies, and interested persons.

You may pick up the "Land Use Action" sign at any time to be posted at the frontage road and return the signed affidavit of posting to my attention. After this has been completed I will be able to issue the Notice of Application.

If you have any questions regarding this matter, I can be reached at (509) 962-7065, or by email at jeremy.johnston@co.kittitas.wa.us

Thank you,
