Hi David-

We received your shoreline exemption application with payment in the mail. I ran it by both Lindsey Ozbolt, who you've been in contact with, as well as our Planning Official. I will go ahead and process the application, but you will be receive a letter stating more information is required.

Per your PSA (see attached) we need the horizontal distance from the ordinary high water mark. The easiest way to do this is to make a drawing, to scale, similar to the one I've attached. Don't laugh at my awesome skills! ;) You can email it directly to me and I'll add it to the file.

Let me know if you have questions!
Thanks,

Stephanie Mifflin
