To whom it may concern,

Thank you for submitting an application for a letter of Shoreline Master Program Exemption for the Caribou Creek Fish Passage project. Upon review, we determined that the southwestern work site is approximately 1,500 feet north of the Rural Conservancy area regulated under the Shoreline Master Program, and the northeastern work site is located nearly 3,000 feet from the Rural Conservancy designation.

At these distances from areas designated under the Shoreline Master Program, an Exemption is not necessary. Please send a letter withdrawing the application, and the application fee can be refunded.

Sincerely,

Dusty Pilkington
