Subject: Shoreline Exemption Permit
Melvin Sampson Coho Hatchery (SX-18-00007)

To Whom It May Concern,

The Shoreline Exemption Permit application submitted on February 26th, 2018 has been deemed **incomplete**. The information provided with your application does not clearly show that the proposed application meets the criteria for the requested exemption.

Please provide an updated narrative and site plan which supports that this project meets WAC 173.27.040(2)(p). This is also consistent with exemption requirements in the Kittitas County Shoreline Master Program. The information necessary to meet this exemption includes but is not limited to a completed hydraulic project approval, and documentation showing that Department of fish and wildlife supports and has approved the project.

Please contact me with any questions.

Thank you,

Chelsea Benner
Planner I
