Hi Rachel,

This proposal is located in an area of high probability. Kachess Lake is known to contain many precontact archaeological resources and traditional properties. We request a survey.

Thank you.

Good morning,

You are receiving this request for shoreline review with an associated 15 day comment period because this application (Shoreline Exemption Permitting, SX-21-00006 - McNeeley) is proposing a project within shoreline jurisdiction that is not exempt from cultural resources review pursuant to Kittitas County SMP 5.1(B)(1)(a). There will be ground disturbance in a 16'x20' area for the construction of a storage shed. In accordance with the settlement agreement between the Yakama Nation and Kittitas County, Kittitas County Resolution No. 2018-195 and the Department of Ecology Final Approval (letter dated 1/14/19, effective 1/28/19) of the County's amended Shoreline
