Permit File – Airstrip Fence

RE: Determination of SEPA Exemption

After reviewing this project, I believe it to be categorically exempt from SEPA under WAC 197-11-800(2)(k) – Other minor new construction. Specifically, WAC 197-11-800(2)(k) states:

“The exemptions in this subsection apply to all licenses required to undertake the following types of proposals except when the project:

(k) The installation of any property, boundary, or survey marker, other than fences, regardless of whether or not on lands covered by water.
