

KITTITAS COUNTY

DEPARTMENT OF PUBLIC WORKS

MEMORANDUM

TO: All Staff
FROM: Public Works Plan Review Team
DATE: February 9, 2022
SUBJECT: SX-22-00001 Puget Sound Energy

Public Works has reviewed the Shoreline Exemption Application. Please see comments below:

The proposed activity is within the FEMA identified 100-year floodplain. The proposed replacement pole is determined to be a minor project that will not create a new obstruction to flow and meets Kittitas County Code requirements for Floodplain Development (KCC 14.08). A floodplain development permit is therefore not required.
