Subject: Shoreline Exemption Permit (SX-22-00021 Sporar) – Request for Additional Information

Dear Applicant,

Kittitas County Community Development Services (CDS) received your Shoreline Exemption Permit application (SX-22-00021 Sporar) on October 14, 2022. Staff requested comment regarding the exemption application on October 24, 2022 with a 15-day comment period ending on November 8, 2022. Staff has reviewed your application and the received comments and has determined that more information is needed before this application can be processed any further. Please provide the following:

1. Please provide an updated survey, to be completed by a licensed surveyor, which marks the floodway boundary on the subject parcel. The structure cannot encroach upon any portion of the floodway boundary.
2. Please update the site plan with floodway boundary information and show distance from structure to floodway boundary.

I have attached a copy of Public Works comments to this correspondence.

Please contact me directly with any questions via email [chace.pedersen@co.kittitas.wa.us](mailto:chace.pedersen@co.kittitas.wa.us) or by phone at (509) 962-7637.

Thank you,

Chace Pedersen
