Hi Bradley,

Sorry for the delay, I missed the “end of the week” part! My recommendation for an IDP remains the same. However, the tribes may have different recommendations.

Happy holidays,

Hi Sydney,

WA DAHP provided comments on PSA-23-00360 on September 29, 2023. In those comments, you stated that “Should additional information become available, our assessment may be revised.” We have new information available, and we are sending an email with the revisions asking if anything changes on your end. I’ve attached the application, the original

site plan, the updated site plan and your previous comments. The building footprint has changed in size from 25'x30' to 52'x40'. Please don't hesitate to reach out with any questions.

We are requesting comments. Please reply with any comments. Would you be able to get back to us by the end of the week? Thank you.

Best,  
Bradley
