**SUBJECT:** SX-24-00002 Vantage Boardwalk

<b>ENGINEERING</b>	No comments. (JF)
<b>FLOOD</b>	The proposed project does not require a floodplain development permit. Maintenance of the existing boardwalk will not present a new obstruction to flood flows nor alter the drainage of the surrounding area. Most of the boardwalk is located outside of the FEMA identified special flood hazard area (100-year floodplain) which is an unnumbered A zone without BFEs. (SC)
