

ATTACHMENT B

JARPA FORM FOR ADDITIONAL PROJECT LOCATIONS

WASHINGTON STATE
Joint Aquatic Resources Permit
Application (JARPA) [\[help\]](#)

US Army Corps
of Engineers
Seattle District

AGENCY USE ONLY

Date received: _____

Agency reference #: _____

Tax Parcel #(s): _____

TO BE COMPLETED BY APPLICANT [\[help\]](#)

Project Name: _____

Location Name (if applicable): _____

Attachment B:
For additional project location(s) [\[help\]](#)

Use this attachment only if you have more than one project location.

Use a separate form for **each** additional location.

This attachment includes information on potential staging and stockpile sites that are located outside of the main project.

Site Names
Upper and Lower Cabin Creek Sno-Park (MP 64)

Attachment E, sheet 2 shows site.

Use black or blue ink to enter answers in white spaces below.

1. Indicate the type of ownership of the property. (Check all that apply.) [help]			
<input type="checkbox"/>	Private		
<input type="checkbox"/>	Federal		
<input checked="" type="checkbox"/>	Publicly owned (state, county, city, special districts like schools, ports, etc.)		
<input type="checkbox"/>	Tribal		
<input type="checkbox"/>	Department of Natural Resources (DNR) – managed aquatic lands (Complete JARPA Attachment E)		
2. Street Address (Cannot be a PO Box. If there is no address, provide other location information in 16) [help]			
Cabin Creek Sno-Park is located at MP 63 on I-90. See Attachment E, Sheet 2.			
3. City, State, Zip (If the project is not in a city or town, provide the name of the nearest city or town.) [help]			
Hyak, WA			
4. County [help]			
Kittitas			
5. Provide the section, township, and range for the project location. [help]			
¼ Section	Section	Township	Range
	10	20 North	12 East

6. Provide the latitude and longitude of the project location. [help]

- Example: 47.03922 N lat. / -122.89142 W long (Use decimal degrees - NAD 83)

47° 23' 27.6" N, 121° 20' 22.40" W

7. List the tax parcel number(s) for the project location. [help]

- The local county assessor's office can provide this information.

Not applicable

8. Contact information for all adjoining property owners. (If you need more space, use JARPA Attachment C.) [help]

Name	Mailing Address	Tax Parcel # (if known)
Okanogan-Wenatchee National Forest	803 W. Second Street	136535
	Cle Elum, WA 98922	

9. List all wetlands on or adjacent to the project location. [help]

Refer to Chapter 2 of the Wetlands and Aquatic Resources Mitigation Plan enclosed. See Attachment E, pages 20-21 for graphics.

10. List all waterbodies (other than wetlands) on or adjacent to the project location. [help]

Yakima River, Lake Easton

11. Is any part of the project area within a 100-year flood plain? [help]

Yes No Don't know

12. Briefly describe the vegetation and habitat conditions on the property. [help]

The site consists of a cleared lot surrounded by coniferous forest.

13. Describe how the property is currently used. [help]

Seasonally, it is used as parking for a non-motorized, groomed, winter recreation area. The site is under USFS SUP as an equipment staging and stockpiling location during non-winter months.

14. Describe how the adjacent properties are currently used. [help]

Adjacent property is forested and undeveloped. Adjoining to this property is interstate I-90.

15. Describe the structures (above and below ground) on the property, including their purpose(s). [help]

N/A

16. Provide driving directions from the closest highway to the project location, and attach a map. [help]

From Seattle: Drive east on I-90 approximately 71.9 miles to MP 64.
 From Ellensburg: Drive west on I-90 approximately 38.8 miles to MP 64.
 Refer to **Attachment E, sheet 1** vicinity map.

If you require this document in another format, contact the Governor's Office for Regulatory Innovation and Assistance (ORIA) at (800) 917-0043. People with hearing loss can call 711 for Washington Relay Service. People with a speech disability can call (877) 833-6341. ORIA publication number ENV 021-09 rev. 08/2013

Site Names
Crystal Springs Campground (USFS Site)

Attachment E, sheet 2 shows site.

Use black or blue ink to enter answers in white spaces below.

1. Indicate the type of ownership of the property. (Check all that apply.) [help]			
<input type="checkbox"/>	Private		
<input type="checkbox"/>	Federal		
<input checked="" type="checkbox"/>	Publicly owned (state, county, city, special districts like schools, ports, etc.)		
<input type="checkbox"/>	Tribal		
<input type="checkbox"/>	Department of Natural Resources (DNR) – managed aquatic lands (Complete JARPA Attachment E)		
2. Street Address (Cannot be a PO Box. If there is no address, provide other location information in 16) [help]			
Crystal Springs Campground – The campground can be accessed from I-90 Exit 63 by travelling south on FSR 5400 approximately 0.2 miles. See Attachment E, Sheet 2.			
3. City, State, Zip (If the project is not in a city or town, provide the name of the nearest city or town.) [help]			
Hyak, WA			
4. County [help]			
Kittitas			
5. Provide the section, township, and range for the project location. [help]			
¼ Section	Section	Township	Range
SW	14	21 North	12 East

6. Provide the latitude and longitude of the project location. [help]

- Example: 47.03922 N lat. / -122.89142 W long (Use decimal degrees - NAD 83)

47° 18' 38.9" N, 121° 81' 54.8" W

7. List the tax parcel number(s) for the project location. [help]

- The local county assessor's office can provide this information.

076535

8. Contact information for all adjoining property owners. (If you need more space, use JARPA Attachment C.) [help]

Name	Mailing Address	Tax Parcel # (if known)
Okanogan-Wenatchee National Forest	803 W. Second Street Cle Elum, WA 98922	076535
Billy Fulleton	2000 Liberty Road Cle Elum, WA 98922	14753
Stampede Sand & Gravel LLC	8411 219th St SE Woodinville, WA 98072	750236

9. List all wetlands on or adjacent to the project location. [help]

Refer to Chapter 2 of the Wetlands and Aquatic Resources Mitigation Plan enclosed. See Attachment E, pages 20-21 for graphics.

10. List all waterbodies (other than wetlands) on or adjacent to the project location. [help]

Yakima River

11. Is any part of the project area within a 100-year flood plain? [help]

Yes No Don't know

12. Briefly describe the vegetation and habitat conditions on the property. [help]

The campground consists of a road loop connecting cleared camp sites. It is interspersed with coniferous forest and the Yakima River borders the campground to the south.

13. Describe how the property is currently used. [help]

The Crystal Springs Campground was used as a USFS campground until 2008, when it was closed. WSDOT is currently using the site to store trees and organic materials for restoration efforts on I-90 projects.

14. Describe how the adjacent properties are currently used. [help]

Adjacent property is forested and undeveloped. Adjoining to this property is interstate I-90.

15. Describe the structures (above and below ground) on the property, including their purpose(s). [help]

Old campsite on property.

16. Provide driving directions from the closest highway to the project location, and attach a map. [help]

From Seattle: Drive east on I-90 approximately 62.2 miles.

From Ellensburg: Drive west on I-90 approximately 61.9 miles.

The campground can be accessed from I-90 Exit 63 by travelling south on FSR 5400 approximately 0.2 miles.

Refer to **Attachment E, sheet 1** vicinity map.
