Dear Mr. D'Hondt,

Community Development Services received a memo from you dated April 7, 2015 requesting that the Canyon Interpretive Center Shoreline Substantial Development permit and Public Facilities application SD-14-00004 & PF-14-00002 be placed on-hold until Washington State Department of Ecology has approved the currently drafted Shoreline Master Program for Kittitas County.

Kittitas County Community Development Services, as allowed under KCC 15A.03.040.7, agrees to place the Canyon Interpretive Center Shoreline Substantial Development permit and Public Facilities application SD-14-00004 & PF-14-00002 on-hold until such time that Washington State Department of Ecology has approved the Shoreline Master Program. At this time it is not known when Department of Ecology will make a decision. If a decision has not been made by the Department of Ecology in a reasonable amount of time, the county may agree to extend the on-hold request after discussion with the applicant/agent of this proposal. This on-hold request will be re-evaluated 180 days from the date of this letter.

Please do not hesitate to contact me with any questions or comments you may have.

Sincerely,

Lindsey Ozbolt
