RE: SP-24-00001 4G Farms – Notice of Application

Dear Zach,

The following comments are the Environmental Public Health comments on the SP-24-00001 4G Farms Notice of Application. The proposed lot 2B is required to have a well drilled and a soil log performed by the Kittitas County Public Health Department before final plat signature can be obtained.

Thank you for this opportunity to comment. If you have any questions, please don't hesitate to give me a call.

Sincerely,
