BL-05-11030 & SP-05-00076

Hi Keli,

My guess is that these are not a factor but I thought I would send this over to be sure... I'm ready to approve the RV short plat (05-00076), and am guessing that once it is recorded the Turtle Town (07-00094) will submit mylars so... let me know if this gives you any grief... I'll post relevant stuff on the web ([here](#)) if you need to get a better look.
