RE: File # SP-07-81, Mildon Short Plat

The County has received the referenced application for short plat. As you are aware, final short plat approval is contingent upon provisions for an irrigation water right-of-way for each parcel. In addition, completed irrigation water distribution facilities may be required if the subject property is classified as irrigable by said Irrigation District per RCW 58.17.310.

Enclosed, please find a copy of the original preliminary short plat drawing.

Please notify our office in writing of any requirements so administrative actions may be completed in a timely manner.

**Failure to respond to this notice within two (2) weeks shall be interpreted as no action required.**

If you have any questions, please feel free to contact our office at (509) 962-7506.

Sincerely,

Mackenzie Moynihan  
Staff Planner
