Dear Kari:

Thank you for the opportunity to comment on Timber Ridge Lot 9 Short Plat, #SP-08-00019. In order to meet the requirements set forth by Kittitas County Public Health's Environmental Health Division the following items must be submitted:

- Soil logs for each lot where installation of a septic system is intended.
- Proof of water availability through the referenced Group B water system.

I look forward to assisting you if you have further questions or concerns.

Sincerely,

A handwritten signature in black ink that reads "Holly Myers".
