Ellensburg, WA 98926

Re: A. Marchel Short Plat (SP-13-00004)

Dear Ms. Ozbolt:

After conducting a review of the above named project, I have the following comments:

- The access to the property appears to cross over the KRD canal. If a bridge is currently existing in place, it is not required to be brought up to County Code, however if a new bridge needs to be built, or any structural work needs to be done to an existing bridge, it must be approved through a permit from the Fire Marshal's Office.
- All future development must comply with the International Fire Code.

Any questions or concerns regarding fire service features may be directed to the Kittitas County Fire Marshal's Office at 509-962-7000.

Sincerely,

Brenda Larsen  
Fire Marshal
