RE: Filbert Estates Short Plat, SP-15-00004

Dear Mr. Odegard,

Kittitas County has received an email from Ginger Weiser requesting an extension to the expiration date for the submission of information related to the above short plat, specifically how you intend to meet the requirements to widen the bridge over the canal. Community Development Services recognizes that such endeavors can prove challenging and therefore **grants the requested extension as outlined in KCC 15A.03.045. The new deadline for the submission of the requested information shall be October 16, 2016.** All provisions of the aforementioned county code continue to apply, meaning failure to submit this information prior to the deadline shall be cause to void the application.

Feel free to contact me if you have any questions.

Sincerely,

Jeff Watson  
Staff Planner
