It looks like the mylar is still with PW. I will let you know when they are done with it.

Thanks,

I will let Dr. Larson know they are ready for signature whenever you drop them by. He is not in today but can stop in later to sign.

Holly,

Those are in Public Works at this point. Once I get them back from them, I can head down to Health for a signature assuming there are no other issues.

Do you have the mylars for the Brownlee SP?
The conservation easement is signed and recorded and I saved it in your t drive.
