Keli,

Greetings. As you may have heard, Jeff Watson is no longer with the County. I have taken on some of his projects. Below is a link to a short plat we are trying to finalize, and I wanted to make sure the Reclamation District has reviewed it and given their blessing.

Dusty,

All of the KRD irrigable acres are on Lot 1 of the Brownlee short plat, so KRD will not require that the General Guidelines be met. If Mr. Brownlee subdivides further, and splits up the irrigable acreage, then the KRD requirements will need to be met. Let me know if you need anything further.
