RE: Kittitas County Public Works Sign Permit (SI-19-00001)

Dear Applicant,

Community Development Services is in receipt of the above referenced application. After review of the submitted materials, the application to place signs near the access and on building faces at the proposed public facility on parcel numbers 11813, 13229, and 11848 is hereby granted **approval**. Please be advised this approval is for the land use activity of sign placement as outlined in the application materials submitted and does not require approval of a building permit. Any changes to the design or construction of the signs as outlined in the application materials may require additional Planning and/or Building Department review.

If you have any further questions, please feel free to contact me at (509) 962-7079.

Sincerely,

Dusty Pilkington
