

Monument Permit – Kittitas County  
BCSCBN – Vantage Bay

This request is for the permit for one monument to be at the north most entrance of Vantage Bay Loop when turning from Huntzinger Road.

The monument will be on the right side of the road on Vantage Bay Loop, on open space property owned by Vantage Bay owner BCSCBN, in front of property tax Parcel #961813.

The monument will sit 10ft behind the right of way and ten feet from the shoulder edge of Vantage Bay Loop. See site map for exact location of monument.

The monument will consist of large rectangular boulders standing upright. Boulders will be unsecured to the ground. Each boulder weights approximately 2000+ pounds and do not require fastening to stay standing. There will be a metal sign approximately thirty inches in length and forty inches in width that will say “Vantage Bay” and bolted the standing boulders at it is four corners. Small boulders will also sit in front of the sign.

The monument structure will be approximately six feet in depth, the tallest boulders will not stand more than seven feet in height, and the total width of the monument will be approximately fourteen feet.
