RE: Baker SEPA Application - (SE-15-00009)

Dear Applicant,

You submitted a SEPA Checklist application for a private bridge across Coal Creek on private property located in the Snoqualmie Pass Area, which is zoned Residential, located in a portion of Section 09, T22N, R11E, WM, in Kittitas County on August 25, 2015. Your application received a Determination of Non Significance, meaning no adverse impacts to the environment are anticipated on September 16, 2015. The comment and appeal period for this application has expired. Three comments were received and no appeals were filed, therefore Kittitas County is retaining the DNS decision.

As of October 2, 2015 you may begin work on this project. Attached is a copy of the DNS and comments received. If you have any questions regarding this matter, I can be reached at (509) 962-7637, or by e-mail at lindsey.ozbolt@co.kittitas.wa.us

Sincerely,

Lindsey Ozbolt
