RE: Sparks Park SEPA Application (SE-18-00008) – Transmittal of Comments and Request for Cultural Resources Survey

Parcel # 778834

Dear Applicant,

Enclosed are the comments received regarding the SEPA application (SE-18-00008) during the comment period:

August 12, 2021	Washington State Department of Natural Resources – Shane Early
August 12, 2021	Yakama Nation Fisheries Program
August 14, 2021	Kittitas County Fire District 3 – Chris Helgeson
August 16 & 24, 2021	Washington State Department of Fish & Wildlife – Scott Downes
August 19, 2021	Yakama Nation Cultural Resources Program – Jessica Lally
August 25, 2021	Kittitas County Public Health – Holly Erdman
August 26, 2021	Kittitas County Public Works – Plan Review Team
August 26, 2021	Department of Archaeology & History Preservation – Sydney Hanson
August 31, 2021	Washington State Department of Fish & Wildlife – Scott Downes

The Department of Archaeology and Historic Preservation and Yakama Nation both requested an Archaeological Survey be completed for their further review of the site. Because the project location is in an area of high probability with archaeological resources in close proximity and known and previously documented high intensity ancestral use, CDS plans on issuing a Mitigated Determination of Nonsignificance that will include a condition that the applicant will provide a cultural resources survey or otherwise satisfy the cultural resource concerns of DAHP and the concerned Tribe.

If you have any questions regarding this matter, I can be reached by e mail at rachael.stevie.cd@co.kittitas.wa.us.

Sincerely,

Rachael Stevie
