RE: BROWN AND JACKSON
SE-20-00003

DEAR MS. BACON:

I AM WRITING TO COMMENT ON THE ABOVE REFERENCED APPLICATION.

I LIVE IN A CLUSTER OF RESIDENCES LOCATED APPROXIMATELY 2 MILES SOUTH AND WEST OF THE PROPOSED PROJECT SITE ON TAX PARCEL NO. 295134. MY HUSBAND AND I BOTH FEEL THAT APPROVAL OF THE APPLICATION WOULD ADVERSELY AFFECT OUR PROPERTY AND OUR WAY OF LIFE DUE TO THE RESULTANT ODOR FROM SEWAGE DUMPING.

THERE ARE MANY MILES OF UNINHABITED LAND THAT WOULD MAKE MORE SENSE AS A SITE FOR SUCH ACTIVITIES. WE ALREADY ARE SUBJECTED TO THE FOUL ODORS EMANATING FROM OUR CROSS HIGHWAY NEIGHBOR WHO STOCKPILES LIVESTOCK MANURE ON HIS 5 ACRE PARCEL. WE DO NOT NEED FURTHER SENSORY ASSAULT FROM THIS PROPOSAL AND ANY PLANNED FUTURE EXPANSION.

WE RESPECTFULLY REQUEST DENIAL OF THE BROWN AND JACKSON PROPOSAL.

SINCERELY,
