Good afternoon Rikki,

Due to the change in location of the ponds originally applied for in SEPA application SE-20-00003 Brown and Jackson, a withdraw letter would be necessary to cancel the existing application as originally submitted. A new SEPA application would be required with all associated documentation in order to consider the updated plans.

I have included the SEPA Official, Jeremy Johnston incase I have missed anything.

Thank you,

Good morning Kelly-

Yesterday we had the conversation regarding our SEPA application. I just want to make sure I have everything clear moving forward. Can you clarify what exactly I need to do to continue on with our project?

Thanks  
Rikki
