KVFR Prevention SEPA Comments

Project: Nunnally Project
Permit#: SE-21-00006
Date: 06/06/2022

I have reviewed the SEPA and associated documents for the listed project and/or construction for Kittitas County Fire District 2 (KVFR). The Fire District has no code enforcement authority, so my input is from a fire department response and operational basis.

Comments:

- Fire apparatus access roads exceeding 150' shall be provided with a temporary or permanent turnaround meeting the requirement 2018 IFC Appendix D.
- Fire apparatus access roads shall not exceed 10% in grade. This is especially critical in our valley's climate.
- The IFC Appendix D requires the road be a minimum of 20' wide and capable of supporting an imposed load of at least 75,000 lbs.
- Our standard turning radius is a minimum of 23' inside and 45' outside.
- Water supply meeting Kittitas County requirements.

Thank you,

Joe Delvo
