Attention: Kelly Bacon, Planner I  
Subject: SE-21-00024, Shree Thorp  
I-90 Exit 101

We have reviewed the proposed project and have the following comments.

- The subject property is adjacent to Interstate 90 (I-90), a fully controlled limited access facility with a posted speed limit of 70 miles per hour. Direct access to I-90, including the on- and off-ramps is prohibited.
- The WSDOT right-of-way fence typically lies one foot inside our right-of-way and must not be altered or moved.
- Any proposed lighting should be directed down towards the site, and away from I-90.
- Any outdoor advertising or motorist signing considered for this project will need to comply with state criteria. Please contact Trevor McCain of the WSDOT Headquarters Traffic Office for specifics. He can be reached at (360) 705-7282.

Thank you for the opportunity to review and comment on this proposal. If you have any questions regarding these comments, please contact Jacob Prilucik at (509) 577-1635.

Sincerely,

Paul Gonseth, P.E.
