Kelly:

The Department of Health (DOH) Office of Drinking Water (ODW) has reviewed this application and has the following comments:

- The applicant indicates that drinking water service will “continue and be maintained by present provider”. DOH is seeking the name of the water system, so that we can assess capacity.
- Depending on the status of the water system providing service, DOH may have follow-on comments.

If you have any questions or concerns, please contact DOH, thanks,
