Thank you for contacting us regarding the proposed undertaking. The project is located within the Yakama Ceded Lands and traditional territory of the Pshwanapam (Kittitas or Upper Yakama) signatory to the Yakama Treaty of 1855. The project area is largely within high probability areas for encountering cultural material and therefore we would recommend a cultural resources survey. If the applicant could provide additional mapping (i.e. project areas delineated on a topographic or aerial map vs. engineer drawings) that would assist in better understanding the project.
