Good Monday afternoon Kelly,

Yes, it was very nice to meet you, too. Thank you for arranging the site review of the Cape proposal.

In regards to our SEPA comments regarding this proposal, after field review I am sure that the Landowner is performing only Class I Forest Practices on the site, and so needs no Forest Practices Application (FPA) from DNR.

Again, thank you for organizing the site review and I look forward to working with you on the next one... 😊

Take care,

Marty Mauney

Good afternoon Marty,

It was really nice officially meeting you last Thursday during the Cape site visit. As mentioned onsite, if DNR has any changes to their original comments, Please provide those to me in writing as to keep

the record clean.

I am hoping to issue the SEPA Action ASAP. Once I have your response from the site visit I can proceed forward.

Thank you,

Kelly Bacon
