Subject: SE-22-00002 Cape - Comment Response

Good afternoon Shane,

The applicants for SE-22-00002 Cape provided the following response to DNR's comments to their proposal:

DNR

Minimal clearing of trees is proposed as part of the proposed access work. We believe there is a 1 acre clearing threshold for requiring a permit from DNR. We will apply for that permit if we meet the threshold. Please note only one home is proposed for the entire project and minimal tree removal is planned as part of the access improvements. As an aside, we have already completed a "Forest Management Plan" as a result of reclassifying 1 acre of the property when we completed the land purchase.

Please advise if the applicants response addresses DNR's comments.

Thank you,

Kelly Bacon
