Good morning,

CDS is requesting comments on the following SEPA application: **SE-22-00053 KC Flood Control Zone District**. Links to the file materials can be found below. Kittitas County anticipates issuing a Determination of Non-Significance (DNS) for this project and is using the optional DNS process found in WAC 197-11-355. This may be the only opportunity to comment on the environmental impacts of this project. The comment period will end **Friday, June 17, 2022 at 5 PM (PDT)**. CDS will assume your agency does not wish to provide comment if not received by this date. Please contact me with any questions or issues accessing the materials.
