Hello,

Please see the attached correspondence regarding your SEPA checklist application (SE-23-00014 (Summit Chevron Remediation)). I have also placed hard copies in the mail.

Do you happen to have an e-mail for Mr. Shin? Also is there anyone else that you would like to be included in correspondence with regarding this application?

I also saw in the SEPA checklist that Aerotech had done an investigate remedial report for this project? Are you able to share that with the county?

Thanks!
