Mr. Berlin,

Thanks for being patient with me when I missed your previous phone call. I will be out of the office the rest of the afternoon, but in the meantime, you can send me what you have to address the items in the letter, and then I can review it to determine if it provides us with the information we need to continue processing the application.

Best Regards,

Dusty, I submitted a site plan with my request. The surveyor only drew in the garage corner of the neighbors house. He has a 2' bump out on the second level and a 24" overhang. That makes his roof line on my property edge. I will send a copy of the survey. We don't have any natural features and have water and sewer hookups. Our access is my neighbors driveway.
