Hey Rachael,

Thanks so much for sending this over. We will make sure to follow all of the measures outlined by the department of public works and we have already engaged our geotech to come onsite to make sure all materials are to spec, test compaction, and approve the construction details.

Thanks again and have a great day!

Good morning Mr. Fuhr,

Please see attached correspondence regarding your Variance application. I have mailed a hard copy as well.

If you have any questions, please do not hesitate to contact me.

Thank you,

Planner I
