Good afternoon Zach,

Thank you for the phone call yesterday. We have reviewed these comments with Dan and Christy and have produced the following responses:

- Comment from Public Health Inspectors: A site evaluation was conducted on August 4th to confirm septic size and location. Please see the attached site plan which highlights the newly proposed septic location.
- Comment from Brandon Leyritz at PSE: We will redirect the power line underground directly from the street to the house. As well as relocating the meter to the home.

Please let us know if you have any further questions.

Thanks,

Frank Ho

Subject: Variance VA-23-00007 Chappelle

Good morning,

Please see the attached correspondence regarding your variance application (VA-23-00007). A hard copy of the correspondence has also been placed in the mail.

Let me know if you have any questions. If after two weeks (10/24/2023) I haven't heard back from you the variance will go through its final decision process.
