GRADING PERMIT POLICY DECISIONS

February 13, 2015

KCC 14.05.050(3) Permits Required clarification:

- Agricultural activities as defined in KCC 14.05.060 occurring within critical areas, shorelines, or sensitive areas are exempt and shall not require a grading permit.

- Residential activities on previously disturbed land, such as garden maintenance and grading of existing roads, occurring within critical areas, shorelines, or sensitive areas, is exempt and shall not require a grading permit.

KCC 14.05.060 Exemptions shall also include:

1. Non-conversion Forest Practice Permits administered the Washington State Department of Natural Resources.

2. Public facility and road construction activities with Kittitas County Public Works oversight.
